

Employee Engagement Survey

- Do you have a clear job description and know what's expected of you?
- Are there opportunities for career development within the company?
- Does your job allow you to sufficiently use your knowledge, skills and experience?
- Is your work meaningful?
- Are you adequately resourced to do your job well (tools, technologies)?
- Do you feel valued by your manager?
- Is everyone treated fairly?
- Is the vision of the company clearly communicated?
- Is the management team transparent about what's going on in the company?
- Does your manager communicate effectively (clear, specific, timely)?
- What's one thing that someone did or said that made your day?
- Is management invested in the wellbeing of the team?
- Does the company value innovation and change?
- Are you encouraged to share feedback?
- I feel connected to my coworkers. Rate on a scale:
0 (Disagree Strongly) - 10 (Agree Strongly)
- Do you like the culture of the company?
- What do you most enjoy about your job?
- What do you least enjoy about your job?
- How do you rate your level of job satisfaction? Rate on a scale:
0 (Not Satisfied) - 10 (Extremely Satisfied)
- What's the one change that would make the greatest difference to your job satisfaction?
